

AGE 4 through K

8/29/10

Dear Parents:

The Age 4-K children are invited to sing as a choir and at times play bells, four different times this school year. They will perform at the beginning of the Sunday morning sanctuary services. The children practice from 10:30 to 10:50am on Sundays as shown on the calendar below. Practices are in the preschool area of the Kid's Life Center. We ask that each child be on time to at least 2 of the practices before the performance day so that they will be confident and perform well. If they don't make the 2 practices, they will enjoy sitting with you or a teacher and watch the performance. We hope most of the children will be able to make the majority of the practices.

Jennifer Patterson will direct this choir again this year. She comes highly qualified in directing church children's choirs as well as being a music teacher in the Katy School District.

We pray this will be an exciting adventure for your children and help them to grow closer to God. We know the adults will delight in their performances.

If you haven't been coming to Sunday school, we recommend this 9:30am session that leads right into the choir practice time.

Thank you for the privilege of ministering to your children,
Pastor Ron Graeflin

Age 4-K Choir Schedule
